CPBH is delighted to share that our Co-Founder and President, Dr. Karen Somerville, has won a Woman of Inspiration Award for “integrity”.

Here is what the Universal Women's Network said about this integrity award:

"Belief is a powerful engine. This Woman of Inspiration believes so strongly in the outcomes she seeks that her beliefs mould the path she is taking to get there. Her integrity channels her actions and her voice as she strives for solutions in the service she delivers seeking justice for all."

Karen said that she is very honoured to receive this award - that all 150 finalists are impressive women!

Much of what was submitted for consideration by the Universal Women's Network in Karen's nomination package related to her volunteer work with CPBH. In her acceptance speech, Karen thanked everyone who supported her, recognized all CPBH volunteers, and said that she considers the award a CPBH team award.

On Tuesday, November 17, there will be a Post Media Announcement: 2020 Women of Inspiration™ Award Winners (Calgary Herald, National Post, Vancouver Sun, Montreal Gazette).
